**AUTO-TECHNICIANS FROM AUKSTADVARIS AGRICULTURAL SCHOOL**

A group of students from Lithuania attended 3 weeks practical training in automotive companies in Leipzig. Besides gaining practical skills they visited Dresden, took part in several social and cultural activities. An highlight for them was a study visit to BMW production facilities.

Number of the project: 2014-1-LTo1-KA102-000014

**INTERNSHIP IN THE FIELD OF GASTRONOMY**

At the beginning of February, wisamar Bildungsgesellschaft hosted eight students from Polonia. They completed a two-week internship in different restaurants and hotels in Leipzig to gain knowledge in the field of gastronomy and catering. Besides, they visited the sights in the cities of Leipzig and Dresden as well as the MDR broadcasting studios.

Number of the project: 2014-1-PLo1-KA102-001068

**IT SECTOR TRAINING**

At the middle of November wisamar Bildungsgesellschaft hosted sixteen students from Romania within the framework of the Erasmus+ project "Today we learn to program our future". The students participated in a three-week course in the Robotron Bildungs- und Beratungszentrum GmbH Leipzig to gain more knowledge in the fields of web programming, database management and design. Their visit was rounded off by cultural tours as well as sportive activities in an indoor climbing hall.
